

United Way Tools for School

HELP CHILDREN HAVE A FRESH START FOR THE SCHOOL YEAR

Children need a fresh start each school year. For low-income and **ALICE™** (Asset Limited, Income Constrained, Employed) families in our northern New Jersey region, providing the necessary school supplies for the upcoming school year can be a financial hardship. United Way *Tools for School* can help!

This annual school supply drive helps ensure these kids receive the tools needed for academic success. **YOU** can help thousands of students begin the school year prepared!
